

Age Friendly Illawarra

Do you want to make a difference and improve the age-friendliness of the Illawarra?

Are you seeking relationships with like-minded organisations who want to collaborate and drive positive change for older people in our region?

“Age Friendly Illawarra is an alliance that aims to create opportunities for older people to lead active, engaged lives and contribute positively to Illawarra communities.”

We are actively seeking partners and ambassadors to join us and deliver on our three-year action plan.

Membership options

Age Friendly Illawarra **Partner**

Benefits

- Attendance at meetings;
- Relationship building opportunities with other members;
- AFI brand alignment demonstrating social responsibility;
- Acknowledgement at events, on website, newsletters and collateral;
- Promotion of products and activities to AFI database: newsletter + 1 targeted.

Investment

Annual cash contribution x three year commitment (eg \$3k per year).

Commitment to furthering the purpose of Age Friendly Illawarra.

Age Friendly Illawarra **Ambassador**

Benefits

- Opportunity to generate content;
- Access to like-minded individuals and organisations;
- Invitation to consultation opportunities;
- Link to program or organisation in appropriate area on website.

Investment

Ambassadors must be actively contributing to Age Friendly initiatives within the Illawarra region.

Initiatives may be existing or new, but would show alignment with Age Friendly Illawarra's brand and mission.

Criteria

Members must be aligned to support Age Friendly Illawarra's three year action plan and committed to working collaboratively with other organisations.

What we'll do

Age Friendly Illawarra's Partners and Ambassadors will support a secretariat to:

- Deliver events
- Distribute quarterly newsletters
- Maintain an active website
- Provide support for Ambassadors with programs
- Prepare funding applications
- Coordinate quarterly member meetings
- Promote membership and maintain database
- Drive promotional opportunities
- Track regional activities against implementation plan and report back
